Midway Vendor

Due May 1, 2018

Business Name _____ Operator Name _____

Address _____ Phone _____ E-mail _____

Have you ever exhibited at the Langlade County Youth Fair? ____ yes ____ no. If so, when _____

List all items sold or displayed in rental space. Only the items listed will be allowed. Use additional sheet if needed. Fair has the right to refuse items.

No corndogs, funnel cakes, cotton candy, elephant ears, or cheese curds allowed without prior approval.

Langlade County Fair has exclusives on all soda and water to be sold during the fair. All vendors must purchase 20 ounce bottles of the exclusive brands that the fair makes available.

Item you wish to have specific to you: _____ this is an item that the fair will try to have only one vendor selling. Example: Roast Beef, Taco Salad...

FEE CALCULATION WORKSHEET:

Location choices (see midway layout section) **Choice #1:** zone A B C D corner/inline, **Choice #2:** zone A B C D corner/inline,

Space Calculation for vendors: All spaces are 20 feet deep. **For zones A,B,C,D** Minimum space 20 deep x 20 long = \$500

every additional 5 feet of length=1 unit. Unit cost is \$50 for inline \$60 for corner --- number of units _____ X \$50for inline/60corner = \$ _____(1)

example. 10 extra feet = 2 units. 2x\$50=\$100 for add'l 10 feet

Electric charge: 30amp plug = \$30/ 50amp plug=\$50 (100amp plug must call for availability) = amp charge _____(2)

Add'l electric charge: \$25 per plug for 110 service (ice machines, freezers, etc). #of plugs X\$25 = add'l electric chg _____(3)

This should also include any service trucks that will be parked along the lot fence line that need power.

Stock trailers parking permits # of trailers _____ x \$20(if need electricity) = _____(4) (these trailers are parked off site. Trailers on site have to be preapproved)

Camping reservations:

Camping rate is \$15 per night, per space. This includes electric, no water. Showers are available on the grounds. Only one vehicle can be parked on site.

Number of sights _____ X Number of nights _____ = Camping charge _____(5)

Total fees: Space Calculation(1)_____+Electric Charge (2)_____+Additional Electric Charge(3)_____+Stock Trailer parking permit(4) _____ + Camping (5)_____ = _____ Total Fees
(Half due when application accepted)

**Return this form with Contract and add'l information sheet, 1/2 space fees, \$200 deposit check,-in separate check, proof of liability insurance, State form (from website), and copy of food license
All remaining fees due before setting up at the fair**
